

Safa One Damac

completion date 2026

Location

Apartments at Damac Safa One are a 15-minute walk (over two bridges) across the Dubai Canal. Residents of the community have access to three major highways of the metropolis, one of which is Sheikh Zayed Road. This allows you to quickly travel anywhere in the city. The distance to the coast is about 10 minutes by car. The International Airport is about 15 minutes away, and Al Maktoum Airport is three times further. The most popular form of transportation remains personal vehicles. If you do not have your own car, you can try car rentals which you can find in any of the communities in the city. Public transport includes popular bus routes and several metro stations.

Type Of Units

Safa One offers a curated selection of high-end residences, ranging from one to five-bedroom apartments, stunning duplexes, and expansive penthouses. Residences start at a spacious 843 square feet and culminate in luxurious 2,280 square feet, all boasting breathtaking views of the Dubai Canal.

The background of the image shows a modern building with a lush green facade, featuring various levels of balconies and terraces with plants. The building is set against a city skyline with several skyscrapers visible in the distance. The overall scene is dimly lit, suggesting dusk or dawn.
